Dairy MAX is a non-profit organization affiliated with the National Dairy Council and funded by the dairy farming families in Texas, New Mexico, Oklahoma and southwest Kansas. Dairy MAX is devoted to the promotion of dairy's lifelong health benefits and enjoyment of nutrient-rich foods such as milk, cheese and yogurt as supported by the US dietary guidelines. They also provide research-based nutrition information to the media, health professionals, schools, educators, consumers and others committed to fostering a healthier society. For over 35 years, they have supported the demand for dairy foods via strategic partnerships and programs while representing the dairy farming industry's positive image.		2214 Paddock Way, Suite 600	
		1920 L Street, NW (Suite 800)	
EIP combines research, reporting, and media outreach to spotlight illegal pollution, expose political intimidation of enforcement staff, and encourage federal and state agencies to take enforcement action to stop these practices. EIP's work has been cited in Congressional hearings and debates, in reports by the US General Accountability Office, and in frequent news articles.	Involved in disputing the Las Brisas power plant air permit and flexible permits	1303 San Antonio, Suite 200	
The Gulf of Mexico Alliance is a partnership of the states of Alabama, Florida, Louisiana, Mississippi, and Texas, with the goal of significantly increasing regional collaboration to enhance the ecological and economic health of the Gulf of Mexico.		1141 Bayview Avenue	
The Gulf Restoration Network is committed to uniting and empowering people to protect and restore the natural resources of the Gulf Region.
